

The virtual career fair of ETH Zürich

Are you currently looking for a job or want to explore potential future career pathways? **poly-E-fair: the virtual career fair of ETH Zürich** lets you **get close with reputable global companies simply via your browser**. Safe, efficient, and from anywhere you want!

How does it work?

- **Who can participate?** All members of the ETH domain and anyone else looking for career connections – including students, doctoral students, post-docs and alumni!
- **Virtual booths:** explore your dream company – your potential employer;
- **Built-in chat & call:** your chance to impress company representatives with your professional attitude and interest via engaging live conversations;
- **Online profile:** your stage to shine. Connect your LinkedIn, describe your career goals and let the recruiters find YOU! (*Note: your virtual profile is visible to the companies, not to the other visitors.*)
- **Built-in application tool:** send your application documents directly to company representatives;
- **Keynote speeches & company live-streams:** workshops and speeches on how to find your desired job, avoid common job application mistakes and get invaluable insights into companies' business!

REGISTER NOW & check the participating companies: www.polyefair.ch
